## COMPANY OVERVIEW

Grady's is a woman-owned commercial foodservice equipment dealer based in Pueblo, Colorado. We help military and federal agencies simplify complex foodservice projects with one dependable source. From full kitchen design and procurement to small equipment resupply, our team stays responsive at every stage.

## CORE CAPABILITIES

**Design & CAD**
Foodservice layouts, equipment schedules and CAD drawings for new builds and renovations.

**Equipment Supply**
Commercial kitchen and serving equipment sourced from leading manufacturers.

**Site Visits** Our field team comes to your facility to assess the space and help define exactly what you need.

**Delivery & Installation**
Coordinated delivery, setting and installation of equipment on site.

**Resupply**
Ongoing replenishment of equipment and smallwares for operating facilities.
